

TIMELINE MARKER - THE END OF THE FIFTH TRUMPET

TIMELINE MARKER - THE END OF THE FIFTH TRUMPET

This document marks a prophetic interval based on the fifth trumpet recorded in Revelation 9.

The fifth trumpet began with torment, not death-

A five-month period of unrest, spiritual erosion, and psychological pressure.

This scroll does not predict, it records.

This is a *marker*-a place in the timeline to remember, reflect, and observe.

Start of the Fifth Trumpet: January 20, 2025

End of the Fifth Trumpet (Day 150): June 19, 2025

According to the pattern observed:

- The Fifth Trumpet brings torment but withholds death.
- The Sixth Trumpet follows-releasing four angels prepared to kill a third of mankind.
- The shift is not random. It is *timed*. *Prepared*.

Let it be known:

The end of the fifth trumpet is not the beginning of chaos.

It is the *removal of restraint*.

This timeline marker is placed here to remind all Watchers:

Do not fear.

Do not act out of panic.

Observe, document, and protect those entrusted to you.

The signal has been sounded.

The scrolls have been opened.
